Subject matter:

And in regards to:

Declaration of the Facts, Faith and the Truth

Notice of Default and Opportunity to Cure

Notice to Agent is Notice to Principle;
Notice to Principle is Notice to Agent,
applicable to all successors and assignees.

This lawful document, a Notice of Default and Opportunity to Cure (2nd Notice) is made by me, of sound mind and body, the living man Steven Douglas from the family of Kisilevich is being served in regards to the previous Notice of Asseveration and Declaration of the Facts, Faith and the Truth (1st Notice) that was sent to the Amtsgericht Pinneberg, Außenstelle, Osterbrooksweg 42+44 (herein known as "Respondent") on Monday the 16th of February 2026 (see Exhibit A) and was served on Monday the 23rd of February 2026 (see Exhibit B), who is now in default by not responding to the Notice of Asseveration and Declaration of the Facts, Faith and the Truth that is now hereby accepted ("Accepted") as an agreement between me the living man Steven Douglas from the family of Kisilevich and the Respondent as of Tuesday the 3rd of March 2026 since the Respondent failed to comply with the orders, failed to uphold the demands, failed to perform the required actions and is therefor in default. The Respondent who has defaulted now has no right to act outside the scope of the instructions within this Notice of Default and Opportunity to Cure.

The Respondent has willingly breached their fiduciary duty by failing to honor and uphold the rights of me the living man Steven Douglas from the family of Kisilevich, thereby leading me to believe that the Respondent may be an imposter, having no authority, no jurisdiction (coram non judice), no full and genuine consent or contract with me and is likely acting under the color of law as well as under the presumption(s) of law.

There is an opportunity for the Respondent to cure within three (3) days from the delivery date of this Notice of Default and Opportunity to Cure by meeting all obligations and demands, providing credible evidence for all the claims that were made as well as answering all the questions within the Notice of Asseveration and Declaration of the Facts, Faith and the Truth and making a rebuttal of that Notice of Asseveration and Declaration of the Facts, Faith and the Truth on a point-for-point basis, in claim format, sworn under oath or attestation, under penalty of perjury, upon the full private and commercial liability of the Respondent.

Mere claims, demands, unclear or conspicious instructions, responses to only selected pieces or areas, allogations, perponderances and presumptions are an insufficient response, the evidence must be factual, truthful, clear and certain. When there is no credible evidence of a valid claim, then there is non-sufficient evidence to set forth a valid complaint. All responses from the Respondent shall only be sent to me the living man Steven Douglas from the family of Kisilevich, not to any juristic person, and only by traceable (trackable) mail that is sent either as certified or as registered mail.

Upon failure to respond to the Notice of Asseveration and Declaration of the Facts, Faith and the Truth, this Notice of Default and Opportunity to Cure will be the Record of Final Expression [see UCC §2-202] as a complete and exclusive statement of the terms of the agreement between me the living man Steven Douglas from the family of Kisilevich and the Respondent.

The Notice of Asseveration and Declaration of the Facts, Faith and the Truth as well as this Notice of Default and Opportunity to Cure are not intended to threaten, harass, hinder or obstruct any lawful opperations or processes and is for the purpose of obtaining lawful remedy as is provided by the law.

I, the living man Steven Douglas from the family of Kisilevich will also conditionally accept the presentment of the legal instrument DR II 1308/25 under the conditions that all the obligations and demands of this Notice of Default and Opportunity to Cure are made in good faith, with honor, with a valid hand-made signature as wellas in printed form of the living being acting in the role or capacity or agent for the Respondent ~~and~~ who accepts the full private and commercial liability, with full disclosure, with valuable consideration, with zero breaches of any privity of contract and with a meeting of the minds (consensus ad idem).

This Notice of Default and Opportunity to Cure will also serve the Respondent with the additional testimony:

(a) when the police detained and arrested me the living man Steven Douglas from the family of Kisilevich they did not speak or read to me of any rights nor was there ever a mention of my rights on the evening of Tuesday the 27th of January, at our home.

(b) additionally, prior to the arrest on the evening of Tuesday the 17th of January I, the living man Steven Douglas from the family of Kisilevich, have never received or was served any legal instruments from S. Meldau a woman acting in the role as an Obergerichtsvollzieherin or from any other juristic persons and if there are any claims stating otherwise then I demand to see the evidence.

(c) I, the living man Steven Douglas from the family of Kisilevich have never been served with an arrest warrant ("Haftbefehl").

I, the living soul Steven Douglas from the family of Kisilevich hereby asseverate that I have read the above and know it to be true, correct, made in good faith and with honor, written by my very hand and is also complete to the best of my knowledge on the day that only the Almighty God of Abraham, Isaac and Jacob knows but is commonly known as the 3rd of March 2026.
